Dear Parish Council,

The governing body of Princetown Community Primary School have overwhelmingly agreed to go to consultation with community members about conversion to academy status as part of An Daras Multi Academy Trust.

This opportunity to work alongside other local schools is considered by the school as a long-term collaborative investment which will benefit all at Princetown Community Primary School.

This consultation seeks the views regarding academy status from all community members who have a stake in the long term future of the school.

The accompanying consultation statement provides relevant information that may answer questions of what academy conversion means and why it is being considered at this point by the school.

All feedback from the consultation process will be used by the governing body to inform the final decision making. Please return responses to admin@princetown-primary.devon.sch.uk by Wednesday 16th January 2019.

We look forward to hearing your thoughts and ideas on this exciting opportunity to improve the long term educational provision for all pupils at Princetown Community Primary School.

If you require further information please feel free to contact Jo-Anne Callow via the school office.

Yours sincerely

S. Mann

Chair of Governors
