Hi Nigel,

I hope you're well. Firstly, we'd like to thank you for your efforts acting as Village Champion on our Rural Open Sure Signal programme, and recognise your local MP for their support too.

We'd like to host a small launch event for Open Sure Signal in Postbridge on **Friday 7 October (afternoon time TBC)**. Are you available on this date? Please feel free to extend the invitation to members of your community and Dartmoor Forest PC.

We're currently putting together a press release. Would you be willing to put together a few lines for a quote as Village Champion for the community? If not, we can write something and send it over to you for your approval. We'll then share the draft press release with you. Let me know which you'd prefer?

If you'd like to put out a press release locally, would you mind sharing it with us first, so we can review it? We can then arrange a date for the announcement, and share our releases together on that date?

In the meantime, we thank you for keeping this information from your local media.

If you've got a question, please get in touch with me.

Kind regards,

Sophie Ree
